Dear Howard,

Due to circumstances beyond my control I find it necessary to retire from editorship/production of HamateurChatter and also from my position on the Board of Directors of the MRAC (Milwaukee Radio Amateurs' Club). My resignation from the Board of Directors is effective immediately. The July issue of the HamateurChatter will be the last issue that I will edit and produce.

I will turn over all Club equipment and materials that are in my possession to whomever you designate. At present, I am in possession of the Club banner; overhead projector and screen; and a box of Field Day items. Howard, AB9FH, has the club Kenwood TS 430 transceiver, antenna tuner, power supply and dummy load. Brian Bieger has the Club Heathkit transceiver, and power supply.

Since the key to the church is signed out to me, I will turn that in to the church office by July 11th.

I've enjoyed serving the MRAC for many years and wish you all the best for future success. I will continue to retain my membership in the club, but have no desire or plans to serve on any committees in the future.

Sincerely yours,

Armin F. Doneis Jr.
